

Used Engine

30 Day Limited Warranty

Engine assemblies are understood to consist of a short block and cylinder head(s). Any of the parts on the engine assembly at the time of sale are included for the possible purchaser's convenience only and are to be used at the purchaser's option only. These additional parts are not covered under this or any implied or expressed warranty.

Engines are guaranteed against cracked block, cracked head and excessive oil consumption for a period of 30 days from date of purchase. Warranty does not cover any damage due to overheating, or failure to block or cylinder head caused by defective components outside of or not included in a basic long block, this including but not limited to the cooling system and the fuel system.

Warranty does not include engine damage to piston and liners caused by progressive over fueling of injectors or overheating. Warranty does not include engine accessories including but not limited to the following: wiring, electronic sensors or modules, sending units, glow plugs, fuel pumps, fuel injectors, throttle body, water pump, air compressors, oil coolers, a/c compressors, power steering pumps, turbo charger, after cooler, fan clutches, flywheels, alternators, starters, distributors, intake manifolds, exhaust manifolds, engine brakes, engine covers or motor mounts. Additionally, this warranty does not cover fluids, gaskets, seals or other materials used in the installation of the engine. Nor does it cover claims that result from accident, abuse, neglect, alteration, improper maintenance or installation. This warranty does not cover any shipping costs.

This warranty does not cover purchaser's loss of time, inconvenience, loss of use or down time of vehicle, towing expenses, installation expense, diagnostic expense, commercial loss, rental cars or other consequential damages.

Warranty is void on an engine that has been run hot or run without or lack of lubrication.

In the event of a warranty claim, Active Truck Parts, Inc. reserves the right and sole discretion to repair, replace or refund the purchase price on the original invoice.
